High-Performance Eco-Friendly Monitor

VA2703-LED

The ViewSonic® VA2703-LED is a 27" large format LED display ideal for working at home or in the office. With Full HD 1080p resolution and 10,000,000:1 MEGA Dynamic Contrast Ratio, the VA2703-LED provides for great image quality and color performance. Because of its large viewing area, the display can increase productivity when large spreadsheets or multiple applications are in use. Versatile DVI and VGA inputs provide flexible and convenient connectivity, while a VESA-mountable design offers convenient setup. The LED backlight saves up to 45% energy consumption when compared to other 27" CCFL monitors. Included with a 3-year limited warranty, the industry's best pixel performance policy, and the energy-saving Eco-mode function, the VA2703-LED is the best value display for corporations, home offices, and educational environments alike.

Stunning Image and Picture Quality

Equipped with 1920x1080 Full HD resolution and 10,000,000:1 MEGA Dynamic Contrast Ratio, the VA2703-LED delivers outstanding picture quality and color performance. With its quick 3.4ms response time, the VA2703-LED is an excellent display monitor for all of your fast-paced entertainment needs.

Planet-Friendly LED Backlighting and Eco-Mode Functionality

Embedded mercury-free LED backlighting and Eco-mode features provide energy savings with a three-phase, self-adjusted, power-saving mode. The VA2703-LED saves up to 45% energy consumption when compared to traditional CCFL monitors of similar size. ViewSonic's proprietary Eco-mode offers an additional energy savings of up to 35%*.

VA2703-LED

Versatile Connectivity

The VA2703-LED offers both analog (VGA) and digital (DVI) connectivity for easy setup. OSD controls allow for quick switching between multiple sources.

Peace of Mind

Our industry-leading pixel performance guarantee, and our 3-year limited warranty, makes ViewSonic a market leader in commitment to quality. ViewSonic is dedicated to using the highest grade panels and offers solid and reliable products.

VESA-Mountable Design

A VESA-mountable design provides flexible setup options for the VA2703-LED. Simply connect the monitor to a display arm or mount it on the wall.

The VA2703-LED is Perfect for:

- Daily computer work at home or in the office
- Spreadsheets or graphic design with big screen requirements
- Replacing dual monitor setups for fewer cable and maintenence needs
